Our Spiritual Strengths - In Christ

Objective - to remind ourselves of the spiritual blessings that we each have in Christ that help to sustain us during times of change.

1. How would you define the spiritual blessing that we have in verses 1-6?
2. In verses 7-10, ponder the words “redemption” and “the forgiveness of sins.” How often are you mindful of this blessing that God intended us to experience?
3. What do you believe is the hope that all believers have in verses 11-14?
