## Online Spiritual Gifts Assessment

Please note -- this online spiritual gifts assessment has been separated into two documents. The first is this online test that can be easily saved from the web and used off-line, and the second is the original version of the test that includes in-depth explanations of each of the spiritual gifts and scriptural references. Additionally, the word document which both files are based on is available.

# Spiritual Gifts Review

- All believers are given spiritual gifts by the Holy Spirit.
- Your gifts are given to you for the benefit of other people, not solely for yourself.
- The gifts are given according to God's will, not because of some effort on your part.
- Each of us has something to contribute to the purposes God wants to accomplish.
