

Paulson Scholarship Application

Dear student,

It is the aim of the Paulson Youth Education Fund to touch the lives of students and encourage their faith while they are pursuing their education. The following form is a guideline for your application and will be considered by the scholarship committee. Please complete this form in its entirety, neatly, and to the best of your abilities. Scholarships will be awarded solely on this application.

The Paulson Scholarship is open to all Calvary members who will be participating in postsecondary education in the fall of 2020. This scholarship can be used for any undergraduate work; however, priority is given to incoming first-year students, students pursuing technical or trade-related education, and students demonstrating a significant need.

Applications should be opened in a word processing program, filled out, saved, and e-mailed to Liz Turner (lturner@calvary.org) with the words "Paulson Scholarship" and your name in the e-mail's subject line. Please include a current transcript from the school you presently attend (high school or post-secondary school) with your application. **Applications are due March 31, 2020.**

If you have questions, you may contact Liz at 763-231-2963 or lturner@calvary.org.
