

Vision

Week of Jan. 10-16, 2021

Key Message

In this new year, God is calling us to respond to His promises and live out our faith.

Discuss

1. What were the highlights of the holidays for you and your family?
2. How are you doing as a result of this week's events at the Capitol?
3. At Calvary, we believe our mission is to "Lead people into a growing relationship with Jesus." This means that each of us has another step to take. How do you hope to grow in your relationship with Jesus in 2021?

Pray

This week would be a great opportunity to spend an extended time in prayer. Please use the following prayer prompts or pray about anything else you need this week.

Pray for ...

- Someone you know who is having a hard time
- Someone who does not know how much they are loved by Jesus
- Our political leader (Local, state, and federal)
- Peace for our country
- Patience and humility in each of us so that we can again have civil discourse
- Racial reconciliation and how you can be a part of it
- Our medical and essential workers
- The things that are causing you to worry or anxiety
- Pray that Calvary can be a community that recognizes WHERE people need hope and that we can point people to the hope we have in Jesus.
- Our school administrators, teachers, support staff, and kids as all continue to adapt
